

HALBERTON TRAFFIC COMMITTEE
Minutes of the meeting held on Wednesday, 3 November 2021

Present:

Councillors Batchelor and Browse, Liz Brooks, Georgie Fice, Jerry Mahany and Terry Payne

There was disappointment at the attendance and it was decided to politely remind all the people who signed up at the first meeting that we need everyone's support and a share for all the workload.

1. Apologies

Apologies were not recorded

2. Declarations of interest

There were no declarations of interest.

3. Public Forum

No comments were made.

4. Update on Submission to Vision Zero South West

The submission had been completed and forwarded to Vision Zero South West by the due date.

5. Update on petition

The petition is going well, needing volunteers to knock on doors in the areas from the Village Hall to the Farm Shop, Greenway and Lower Town.

Would it be able to set up an online petition?

6. Time plan for submission of traffic report

The highways reporting is good on the website but some have found it difficult to access.

Councillor Batchelor would create a framework for each individual area to fill in problems and solutions to their different areas which would form the basis of the report.

It was decided to ask Colin Slade to the next meeting in early December.
